

## Updated Avaya Aura® Core Components Curricula and Certification Exams

### Overview

Avaya Learning is pleased to announce the updated curricula and testing for the ACIS – 7120 and ACSS – 7220 Avaya Aura® Core Components Certifications.

The updated curricula associated to Avaya Aura® Core Components Implement (ACIS – 7120) is available now for registration on the Avaya Learning Center.

New courseware tied to the Avaya Aura® Core Components Support (ACSS – 7220) will be available with first course deliveries mid of February 2022.

With the updated courseware Avaya Learning releases two new exams:

- 71201X - Avaya Aura® Core Components Implement Certified Exam which is targeted for release at Pearson VUE late February 2022.
- 72201X - Avaya Aura® Core Components Support Certified Exam which is targeted for release at Pearson VUE late March 2022.

For further details to curriculum, including registration, please visit the ACIS – 7120 smart track and ACSS – 7220 smart track posted on the Avaya Learning Center ([www.avaya-learning.com](http://www.avaya-learning.com)).

### Transition:

Earning or renewing the Avaya Aura® Core Components Implement (ACIS – 7120) and / or Avaya Aura® Core Components Support (ACSS – 7220) going forward requires an individual to pass new testing.

Following the release of the new exam 71201X - Avaya Aura® Core Components Implement Certified Exam Avaya will retire the 71200X - Avaya Aura® Core Components Integration Exam on **30 April 2022** with a last exam delivery date on 30 April 2022.

Following the release of the new exam 72201X - Avaya Aura® Core Components Support Certified Exam Avaya will retire the 72200X - Avaya Aura® Core Components Support Exam on **30 April 2022** with a last exam delivery date on 30 April 2022.

Additional note:

Students who hold the ACIS – 7120 and / or the ACSS – 7220 today will keep the certification until the expiration date reflected on the student’s credential record in the Avaya Credential Management System (CMS).

## Channel Partner Note

Avaya partners are asked to review the **Avaya Edge Program Guide** published on the Avaya Partner Portal for details on authorization requirements (log in required).
